## DETAILED ITINERARY

### **DAY 1: Dehradun to Gangotri (10,170 ft.)**

Your first day will start from Dehradun. You will travel 241 km to reach Gangotri. It will take around 8 hours to reach there. You will surely enjoy this journey. You will en route Mussorie, Dhanolti, Uttarkashi, and then Gangotri. As soon as you will reach Mussorie, you will get to see the beautiful sights of majestic Shivalik ranges.

Soon, you will arrive at Uttarkashi. Uttarkashi is situated on the banks of the Bhagirathi river. There you will get to see several temples. After that, you will reach Harshil Valley in Uttarkashi. This valley is a great tourist destination. It is beautifully covered with nature's beauty. You will see here orchards of apples.

Then after some time, you will reach the destination of the day, i.e Gangotri. It is also situated on the banks of the Bhagirathi River. After reaching here, you can explore the place & market. You may also interact with locals. You will definitely love this place. Then after having dinner, rest in a hotel/guest house for the night.

### **DAY 2: Day to reconcile at Gangotri (10,170 ft.)**

You will have a great morning at Gangotri on your second day.

This day you will stay in Gangotri only. You will get health supplements for your body. By doing this, your body will get adaptable to the environment and temperature it will meet in the further journey. Therefore, with this, you will also get a chance to visit Gangotri Dham, one of the Char Dhams of Uttarakhand. Apart from this, you will also get to visit several other temples too.

Enjoy your full day here and rest at night.

### **DAY 3: Gangotri to Chirbassa (10171 ft to 11680 ft.)**

Your third day will begin by having delicious breakfast. After that you will proceed towards your trek. Your way of trek will be across mountains. You will see forests with pine trees. The grade of the trek will be moderate. Your this day's trek will be completely in the Gangotri National Park.

Soon, your trek will take you to the place from where you will be able cobbles of Sudarshan peak. After crossing which you will reach your campsite.

Your campsite lies amidst the mountains and will make you feel so peaceful. You will also see peaks of Bhagirathi Sisters from your campsite.

Then have your lunch and rejuvenate yourself. After that spend your quality time with your friends and make fruitful utilisation of this time. Then have your dinner and stay in camps overnight.

### **Day 4: Chirbassa to Bhojwasa (11680 ft. to 12435 ft.)**

You will have a blissful morning and will enjoy the morning breakfast. Then you will begin your 2 to 3 hours trek with a moderate level ascent. As you will move forward, you will get a closer view of Bhagirathi peaks.

Soon, you will reach plain terrain, i.e. your campsite for the day, Bhojwassa. From here you will see the beautiful view of Mt. Shivling. You will reach here early as the trek is short. Then enjoy your remaining day here. At the night you may feel cold, so wear your warm clothes.

**Day 5: Bhojwasa to Khada Pathar via Gaumukh & Tapovan (12435 ft. to 14600 ft. via 13452 ft.)**

The trek of the day will be the longest and strenuous in comparison with other days' trek. Make sure to fill your water bottles. It may be slightly difficult but is full of adventure and enthusiasm.

Gaumukh is considered the endpoint of Gangotri Glacier. You will be filled with religious beliefs once you will reach here.

From Gaumukh, the trek will get difficult. You will have to climb but always remain careful. Do follow your guide's instructions. After climbing, you will reach the final trek which leads to Tapovan. This trek is slightly rocky in nature. After crossing this you will realize that you have come more closer to the magnificent view of Mt. Shivling.

Tapovan is generally famous for the Sadhus who come here for meditation purposes. This will be your base camp for the day. Enjoy the site and rest in camps overnight.

**Day 6:- Tapovan to Chirbassa (14600 ft. to 11680 ft.)**

Make sure to wake up early so that you do not miss the amazing morning view of the campsite. You will find eternal beauty in the surroundings.

Again, fill up your water bottles and begin your trek towards rocky terrain. While on this trek, you will descend which needs more care than the ascent. Move slowly. Listen to the advice of the guide.

After 6-7 hours of trek, you will reach Chirbassa. Here also you will see pine forests. And this day you will camp near the river, the best place to camp.

**DAY7:- Chirbasa to Gangotri (11680 ft. to 10171 ft.)**

This will be your last day of the trek. You will trek for about 4-5 hours to reach Gangotri. You will again pass all the beautiful sights. Walk along the Bhagirathi river. Soon you will reach Gangotri.

Stay overnight. Make sure to enjoy these moments a lot. Do click pictures and make millions of memories.

**DAY8:- Back to Dehradun**

Now, time to say goodbye to the beautiful place. Take pictures together and drive back to Dehradun.
