- Grade:- Easy
- Max Altitude :- 9,910 Ft.
- Approx Trekking Distance:- 16 Kms

Nag Tibba Trek is the best hit you could make during vacations. Unlike many other treks where nascent trekkers think twice to go, this trek is best suitable for them and even for kids. In your vacations, you can surely plan to visit Nag Tibba with your friends or family and can enjoy being surrounded by mother nature in several forms. The trek is located at the highest peak in the lower Himalayas of Garhwal.

It is considered to be the best range where one can camp during spring as well as summer season. There is a temple located at the top of the hill from where you can get the amazing views of the Himalayas covered with snow. This trek is easily accessible and hence even locals come here to enjoy their weekends. Nag Tibba Trek is also known to be Nag Tibba Range which is one of the three ranges of the lower Himalayas.

We have quoted complete details of the Nag Tibba Trek package so that all trekkers can have quality information about this trek before coming. We will always suggest you visit it at least once in your life and you will experience the best trek of your life ever.

- Stay on Nag Tibba Range for half an hour
- Reach Pantwari village: 3:00 pm
- Reach Dehradun: 8:30 pm

Details Itinerary

Day 1: Dehradun to Pantwari village and then to CAMP 1

On the first day, we will drive to Pantwari village and then will begin our trek towards Camp 1.

Our journey will begin from the Railway Station of Dehradun to Pantwari village. You are going to find several traditional things during the drive and trek too. You will see a hut made up of wood, various farmlands, water streams, lush green lands. Make sure to fill your water bottles from the natural water streams if they get emptied. We will be traveling via Mussorie road so you are going to enjoy the beauty of 'Queen of Hills'. After reaching Pantwari village at around 12-1 p.m.

we will fill our tummy with delicious dishes and then will begin our trek to Camp 1.

ATM at Mussorie could be the last one before trek hence you can utilize it if you want. Then we will hike for about 15 minutes and then our trek will start which will take half an hour to get completed. The campsite has a mesmerizing beauty and can fill you with joy and excitement thoroughly. At the campsite, you will see various mountains surrounding you. These mountains are examples of power & strength with marvelous beauty. After enjoying, you will spend your night at the campsite in the tents.

Day 2: Camp 1 to Nag Tibba Range

The second day of the trek is to climb Nag Tibba Range from Camp 1. After having an early breakfast, you will head towards the Nag Tibba Range. You will come across thick forests in between and will see a variety of flora and fauna. The way of the trek is quite flat and consists of mild complications. Reaching the top will make you feel worth traveling here. Do enjoy yourself here as much you can.

After being at the Nag Tibba Range for some time, we will get back to Panthwari Village. Perhaps, our lunch would be arranged here only. You can explore the place within the time period and can get to know about the particular place. After lunch, we will drive to Dehradun. And the journey will be concluded with the best experience. We welcome you for more such treks in the future with us.

You will reach Pantwari around 12:00 pm

Food from Dehradun to Pantwari is not included in the cost.

Sleep like baby

It is always said that one must sleep like a baby. It means sleep without any worries. This makes you have an adequate amount of sleep which is a significant factor in daily life. So, practice it daily and also before your trek. Try to make yourself comfortable to sleep at higher altitudes.

Fitness For Trekking

Good Shoes-Good Trek

It is so evident that one has to walk and only walk while Trekking, so it is far more essential to have a good pair of trekking/hiking shoes. Practice walking by wearing your boots before the trek to make yourself used to them. You may opt for an option to keep an extra pair in your bag while trek to help yourself in the opposite condition.
